

PLAY AROUND

Instructions

PHILLY FLASHER™

1. Follow the separate directions for selecting the correct game on your Playaround™ 2-in-1 Cartridge.
2. With the power off insert cartridge into game console.
3. Connect the left paddle control.
4. Turn power ON. If no picture check your game and TV connections and then repeat steps 1, 2 and 3. If everything is OK then push either the reset button or the red button on the paddle to begin the game.

GAME PLAY

The object of the game is to use your paddle controls to maneuver the "flasher" ("flashers" if you're playing game number 2) to catch the drops of magic potion that the witch is dropping from the jailhouse roof. You score one point for each and every drop you swallow without a miss. But should you miss, you lose one turn. You have four turns at the outset of the game. Small squares in the lower left-hand corner of the screen indicate the remaining number of turns at any point in the game.

You earn a **bonus turn** for every 69 points you score; however, you may accumulate no more than 6 turns plus the one in play at any given time.

Press the fire button on the paddle control to get the witch to release her next batch of magic potion.
